AT MONT ROCHELLE MOUNTAIN VINEYARDS

Picnic Baskets ...The simple things in life often give one the most pleasure.

Pick up a picnic basket at the Country Kitchen and take a stroll with your blanket in hand, through the vineyards, down to the dam, into the rose garden or to the shade of an oak or weeping willow and make yourself comfortable. Unpack your basket of delights, cold bottle of wine, lay back and relax while you nibble a little, read a book, or have a chat and a giggle with family and friends. If you're not crazy about blankets, we have tables dotted around the gardens, for those who prefer.

Come and enjoy the relaxed life, like we do at Mont Rochelle....
